## Geography GCSE Field Trips

Dear Parent/Guardian,

As part of the Geography GCSE your son/daughter will need to complete two field work trips to enable them to complete 'Component 3' of their course which is an exam focussing on applied fieldwork. The students will be required to attend the field trips to enable them to gain knowledge of fieldwork techniques, data collection and data interpretation on which they will be assessed in an exam as part of their Geography GCSE.

We will be offering two field work trips in either year 10 or 11, both of which will be completed with the Field Studies Council who provide excellent knowledge and equipment which will improve your child's experience.

The first trip will be running on 3<sup>rd</sup> July 2017 to Walton and the second will be either 28<sup>th</sup> or 29<sup>th</sup> September 2017 to Stratford, London.

The total cost for **both** trips has been finalised at £38.00 which covers our use of the centre, all resources and equipment and coaches where applicable. All payments should be made via ParentPay on the schools website by 23<sup>rd</sup> June 2017.

Further details of the trip details will follow in due course.

Yours sincerely,

Miss Z Barrett  
*Head of Geography*
