**Dear Parents**

Welcome to West Hatch High School. We are delighted that you are considering our school for your child's continuing education.

West Hatch is a thriving, diverse and successful school that has, for a considerable amount of time, held a great standing within the community. There is a tangible sense of community and calmness about the school.

At West Hatch we provide our pupils with the opportunities to expand their horizons, to become what they didn't know they could be and help them to believe in themselves and have exceptionally high aspirations for their future. We will ensure that your child is provided with a wide range of opportunities throughout their time at West Hatch to help them see what is possible for them in the future.

We have a fine track record academically and our staff work very hard to ensure our pupils achieve exceptionally well. Throughout our curriculum we develop the skills, knowledge and understanding to be successful from Year 7 to 13 and beyond, so that pupils are able to forge the best possible careers and futures.

We are an innovative, forward thinking school which believes in the highest possible standards of behaviour so that all pupils are able to thrive.

There are many aspects of school life described in this brochure – do, however, come and see the school for yourself at our Open Evening which will be held on <u>Wednesday 27<sup>th</sup> September 2017 from 6.30pm</u>. ## THE SCHOOL'S VISION

We are a family dedicated to all our students excelling academically and personally in our school and beyond by seizing the opportunities we provide.

We unlock potential for all to thrive and open doors for all to achieve.

We expect everyone within our community to strive to be:

"The Best That I Can Be"

And we ask that all staff who work at West Hatch commit to delivering outstanding opportunities for our students to thrive inside and outside of the classroom

Our student body devised our school motto and the qualities needed to achieve it. To be "The Best that I can Be" I need to be determined and persevere. Be respectful. Be responsible. Be considerate. Be ready to achieve and Be proud. The school works tirelessly to ensure we instil these values within our pupils.

## ACCOMMODATION

The school, on a single site surrounded by fields and trees, is situated in Chigwell High Road, served by various bus routes to the gates and by Central Line trains at Chigwell Station. It is extremely well equipped with specialist accommodation for each subject.

In recent years, we have built a new English Centre, a Maths, Dining and Drama Block and a Sixth Form Centre with purpose built library and extensive study area. Expansion also included a new Music Block which boasts a performance hall, teaching spaces, recording studio and five practice rooms. We also added a dedicated Business and Enterprise Centre.

We also have a heated indoor swimming pool, a gymnasium, multi gym, extensive playing fields and hard court areas.

As part of a planned school expansion, commencing in 2018, the school will be building a state of the art sports complex including sports hall, fitness suite and dance studio. We will also be building a new 9 room classroom block, 3 new science labs, 3 new technology rooms and an extension to our dining room. This expansion will ensure the school continues to be able to offer an outstanding curriculum to our pupils.

## THE CURRICULUM

## <u>KS3</u>

At West Hatch we have a two year Key Stage 3 to ensure there is no wasted time within the curriculum and that pupils are challenged from the moment they enter the school.

In Year 7 and 8 the subjects studied include English, Mathematics, Science, Art, Drama, History, Geography, Computer Science, Music, PE, Design & Technology – including Food, Resistant Materials and Textiles, RS and PSHEE & Citizenship (taught during Form Tutor period).

In Years 7 and 8 we divide the year groups in two. The two sides are known as **West** and **Hatch** and are split evenly in terms of academic ability.

At the start of Year 7, all groups will be mixed ability, in all subjects, for the first half term. Following the October Half Term, **Category One** subjects which includes English, Maths, Science, MFL, PE, DT and Art, we will decide whether to set students or teach in mixed ability groups.

**Category Two** subjects including History, Geography, RS, Computer Science, Drama and Music will have a top set on each side of the year and the rest of the groups will be of mixed ability.

Early on in Year 7 we assess student's levels in all subjects. These include a Cognitive Ability Test (CATs) and Accelerated Reader tests. Assessment of students is on-going in each subject and they are set a formal assessment at regular intervals, which are recorded and reported in Progress Checks. We have summer formal examinations as well.

Those pupils who are identified through our testing procedures to require additional English support will be provided with extra lessons each day before school where they will receive a bespoke support programme. Marking may often be peer and self-assessment, which we encourage the development of independence. Students will be asked to re-do any work that is not at the expected level. Each department will complete half termly assessments and will provide detailed feedback at this point to support pupil's progress. Pupils will use this feedback to improve their work and 'close the loop' in their learning.

During Year 8 pupils will make a number of Options choices and will therefore follow a reduced curriculum in Year 9 - 11 based on the subjects they choose. During Year 9 all pupils will study a vocational qualification which thy will be examined in at the end of the year. They will also all study a financial literacy course.

In Year 10 pupils will be able to choose a further 2 Option subjects from a wide ranging curriculum offer. These subjects along with the subjects studied in Year 9, will prepare our pupils for their studies in the Sixth Form.

The school promotes literacy, numeracy skills and enterprise/personal learning and thinking skills across the Curriculum.

## THE HOUSE SYSTEM

We have five Houses at West Hatch, with around thirty students from each year group per House. Through the House system we seek to further foster our sense of school community and loyalty. There are increased opportunities, for leadership, responsibility and competition. Students are in mixed age forms, with approximately five students from each year group, from Years 7 to 11. Through this structure we hope to create a real sense of belonging, as well as giving our students the skills to work successfully with people of all ages.

## HOMEWORK, MONITORING & REPORTING

The school sets great store by homework although the amount varies according to the age of the student and the type of course. Some homework tasks are set for a specific night but projects lasting a few weeks may also be given. Parents are informed termly of the arrangements for homework and are expected to oversee this work. We feel that co-operation on this matter is an important part of the home-school relationship and we set homework using an online system called 'Show My Homework' that you can view. Support is available to pupils, together with access to computers in subject areas.

In Year 7 two or three subjects of homework are set per night. Each homework subject should take about 30 minutes. Homework increases to about  $2 - 2\frac{1}{2}$  hours per night in Years 10 & 11.

There may be occasions, such as staff absence, when homework may not be set. We are continually monitoring homework and reviewing its quality. Where a pupil has no homework we recommend reading but contact with the school is a must if you have any concerns.

As we place all homework online both parents and pupils have constant access to the homework they are set and the school therefore expects all pupils to hand their homework in on time, and to a high standard.

## **ASSESSMENT AND REPORTING**

Assessment of progress is an integral part of our curriculum and supports pupils' learning. Each year parents have the opportunity to meet their child's teachers at an annual Parents' Evening. Parents receive regular progress checks. Where parents or the school are concerned about a child, interim reports are gathered and meetings arranged. Under the National Curriculum, teacher assessment plays an increasing part in establishing levels of performance, especially as formal KS3 SATs have been abolished. Course outlines are available early in the Autumn term outlining how teachers assess in each subject. Formal external assessments are made during and at the end of Years 10 & 11. Several subjects have continual assessment but Years 7, 8 & 9 have assessment windows and summer exams. The school offers a number of different opportunities for children to have their talents and successes rewarded. The school's policy is to enter all pupils for GCSE, unless there are exceptional circumstances.

## CAREERS EDUCATION AND WORK EXPERIENCE

The Careers Education programme aims to prepare students first for the decisions re options choices and courses at Key Stage 4 and the Sixth Form, and then for the major decisions of higher and further education and the world of work. Key elements are two weeks of Work Experience in Year 10 and work shadowing opportunities for the Sixth Form. We are pleased to have close links with local colleges and businesses.

In November of Year 7 all parents are invited into school to meet with a senior member of staff and discuss their child's progress and attitude to learning through our Aspirations Day. At this event, we ask parents to go with their child to meet our careers advisor and plot out possible career paths so that they have the highest possible aspirations and know how hard they need to work to achieve their potential.

## HEALTHY SCHOOL STATUS

As a school we are fully committed to retaining our National Healthy School Status.

To this end:

- We have an environment and ethos that supports learning and promotes the health and wellbeing of all.
- We have a PSEC (Personal & Social Education and Citizenship) programme that contributes significantly to the above.
- We develop in our pupils the confidence, skills and understanding to make healthy food choices, with healthy nutritious food and drink being available across the school day.
- We provide our pupils with a range of opportunities to be physically active. They understand how physical activity can help them to be healthier and can improve and be a part of their everyday life.
- Finally we promote positive emotional health and wellbeing to help pupils to understand and express their feelings and build their confidence, emotional resilience and capacity to learn.

## HEALTH AND SEX EDUCATION

The Governors have a clearly stated policy on Health and Sex Education. The main provision is within the Personal and Social Education and Citizenship programme. The belief and aim is that all pupils should benefit from the programme and through the course prepare for responsible adulthood within a context which values family life.

The programme develops knowledge, understanding, skills and attitudes which will enable pupils to adopt healthy lifestyles, understand emotional and psychological changes in themselves and others and to understand the physical developments in adolescence and beyond. In following these aims, contentious issues are dealt with such as relationships, personal crises, drug abuse, AIDS, sexually-transmitted diseases, alcohol and tobacco.

The approach taken shows respect for the culturally rich and diverse family backgrounds of the school community. Parents, who have a right to withdraw their child from sex education, are welcome to contact the school for further details.

## LINKS WITH INDUSTRY

The school has many links with industry. All Year 10 pupils have a two week work placement. We also have members of the community who come and work alongside pupils on specific projects i.e. chefs, designers, jewellers, entrepreneurs. Recently several pupils have received national and regional recognition in a number of competitions for their work.

# COMPUTING AND INFORMATION & COMMUNICATION TECHNOLOGY (ICT)

Computing and ICT are subjects of ever growing importance. Pupils in KS3 study computing and digital literacy covering functional ICT skills, programming, computing fundamentals, digital literacy, Esafety and being a good digital citizen. Students also learn both visual and text based computer programming languages, algorithms, how computers work, the systems development life cycle and flow charts. At KS4 and KS5 (Sixth Form) we offer a range of IT courses including GCSE and A Level IT, Computing and BTEC vocational options.

## **LEARNING SUPPORT**

The school's aim to value and develop the potential of all pupils includes recognising and responding to special needs as they occur. These may be physical or emotional as well as learning needs, and range from mild or transitory to longer-term and more complex. Our policy aims to ensure that such needs are identified and a planned programme of support provided. This follows the National Code of Practice, and parents are fully involved as are appropriate support agencies where available. A range of strategies are employed to maximise access to the curriculum. Time is spent adapting teaching materials; some pupils have access to a Learning Support Assistant within lessons. Staff work with individual pupils and their parents. Senior colleagues, working with the SENCo (Special Educational Needs Co-ordinator), have specific responsibility to ensure that provision, whether via a Statement or otherwise, is made and that teaching and support staff are suitably trained and supported. They also report regularly to the Governing Body who has a member with specific responsibility for monitoring SEN provision. Our philosophy is to recognise the special needs some children have and to ensure that they too gain success from all aspects of school life. We offer literacy support on a withdrawal basis, both in small groups and one to one.

## INTERVENTION CENTRE

We have an Intervention Centre staffed throughout the week. Students have individualised programmes and the opportunity for one-to-one support and specialist help. The Centre is also extremely successful in reintegrating students back into main-stream lessons, offering them targeted help, developing their confidence and self-esteem.

# Information on arrangements for the admission of pupils with disabilities

Pupils with disabilities are identified through close liaison with primary schools prior to transfer.

The Primary School should notify us with a detailed pupil profile outlining their strengths, weaknesses and strategies to enable access to the school and the curriculum. This information is disseminated to staff.

# Details to prevent disabled pupils being treated less favourably than other pupils

The Learning Support Department has a number of established clubs and programmes aimed specifically towards increasing access to the curriculum and the social life of the school. These include a mentoring programme, self-esteem and Smart Thinking, social skills group, homework club, and a lunchtime club for vulnerable students.

# Details of existing facilities to assist access to the school by pupils with disabilities

The Accessibility Plan as required under the Disability and Discrimination Act covers future policies for increasing access to the school by pupils with disabilities.

This details strategies which increase the extent to which disabled pupils can participate in the school curriculum. Improving the physical environment of the school is always a priority. An environmental audit of pathway routes and access has been completed to improve the physical environment. Tactile paving has been laid around the school and we have shown our commitment to improving access to communal areas by purchasing portable ramps. The incorporation of visually explicit department signage has also been introduced.

In addition to the provision of clubs and programmes outlined above, West Hatch is committed to increasing access to the National Curriculum for all through quality teaching. Our Teaching and Learning policy covers issues such as differentiation, learning styles, inclusion of students with additional educational needs and behaviour management.

An effective target setting system exists within the whole school, further tracking and monitoring of pupils progress with additional needs is

undertaken by the SENCo and Learning Support Department. The SENCo uses Provision Mapping to ensure there is access to resources across the cohort.

The SENCo also analyses data, tracking progress of students with additional needs across the key stages to ensure West Hatch is providing a high quality education to all pupils. Any trends arising are targeted in the following year's SEN Evaluation and Development Plan and Departmental Improvement Plan.

The Governing Body's policy on pupils with SEN focuses on the early identification of pupils with additional needs and the provision we are able to put in place.

## **EXTRA CURRICULAR ACTIVITIES**

At West Hatch we strive to ensure our students achieve the best exam results possible. Equally important to us are a whole range of opportunities that we offer which will give them the edge, enabling them to compete with the best.

Every term an extra-curricular programme of activities is published. There are opportunities to be involved in Musical productions, Dance shows, Concerts, Skiing trips, Sports tours, Computer programming and X-Box Club, School Choir, Rock bands and Paintballing. There are Theatre, Museum and Art Gallery visits, Dance workshops and University trips.

A whole range of trips are organised annually, involvement different year groups. Trips that have taken place recently include, Trekking in Kenya, Tanzania, Ghana, Ecuador and Brazil helping out on a community based project, Geography Field trips, ICT trips to Paris, a trip to Iceland, Sorrento in Italy and many others closer to home.

Students can also take part in local, district and national competitions. Many enjoy the Rotary Young Chefs and Speak Out competitions as well as Maths Challenges.

School trips as such are not compulsory although we do recommend them as we feel the benefits for students are considerable. We are dependent upon the costing being met by voluntary parental contributions. We can support pupil premium students also.

## SPORTS AND GAMES

The school participates in Inter-school, District, Inter-County, as well as some National events. They obviously attract the very able, competent performer.

We believe that competition is healthy at all levels and encourage all pupils to participate in our termly inter-form events.

We have had successes in rugby, basketball, football, athletics, netball and cross country. We are county champions in basketball, rugby, football and netball. We have won the All English Schools Athletics Association Track & Field Cup in the past and have pupils representing England and the county in a number of sports. We have been awarded national recognition with SPORTS MARK status which recognises the quality of provision and opportunities available.

Sports Tours are a regular feature of life at West Hatch and have included Scotland, Ireland, Dubai and Lanzarote.

#### **OTHER ACTIVITIES**

We run The Duke of Edinburgh Awards at Bronze and Gold Level and have challenge/team building events in the Sixth Form and a number of Awards Evenings where we recognise our many talented and hardworking students.

#### **MUSIC, DRAMA & DANCE**

Students have performed at the Royal Festival Hall, The Guildhall and other high profile London events. We have choirs, instrumental groups and bands at KS3, 4 and 5. Regular Music concerts take place as do Dance Evenings and productions.

## **PUBLIC SPEAKING**

Although pupils are given many opportunities to express their views, the formal skills of public speaking for competitions and performance are encouraged. We have students represent the school at Greshams College and in local competitions. Students also enter the Rotary Speak-Out Competition and are very successful. A team with representatives from West Hatch debated in the House of Commons.

## COMPETITIONS

With the development of the House system, the frequency of competitions has increased dramatically in school. Students are now able to access a competition from every department every year and gain points for their House and themselves to spend on Vivo.

Past successes include pupils who won a Mental Health competition out of 17 schools performing a piece they had devised at Essex University.

They reached the Chemistry Challenge Final, held at Imperial College London out of 250 schools across the Country and were proud winners of the Anglia Ruskin Stock Market Challenge out of 20 schools.

#### DRAMA

Drama and Performing Arts are a real strength at West Hatch. We have a well-equipped, purpose built Drama studio where all lessons take place, allowing students to learn in an industry standard theatre space. As well as a series of high standard performances by the GCSE and A level students, the Department also produces an annual whole school musical. In recent years, we have performed "Oliver" and "Hairspray" to sell out audiences. The productions have echoed the professional standards of the department and have allowed the talented students of West Hatch to really shine. Drama allows students to learn essential skills for life, such as communication, collaboration and confidence. Through the carefully planned curriculum West Hatch Drama allows all to flourish and enjoy the power and merits of this exciting subject.

## DANCE

Dance Club is very popular leading to three very successful dance evenings staged by pupils.

## PREFECTS

We have Prefect status awarded to pupils in Year 11 who have shown themselves worthy of this important role.

They work very closely with the Sixth Form Prefects representing their Houses and the school at a number of events as well as fund raising and involving themselves in the wider work and life of West Hatch.

## PEER MENTORING

Each year around twenty five sixth form students are trained as Peer Mentors and are available daily at lunchtimes to assist younger pupils who may be experiencing friendship difficulties or problems in settling in.

## STUDENT VOICE

West Hatch places a great deal of importance on students being fully involved in their education and the running of their school. Over the past three years the Student Voice has worked tirelessly to implement change within the school and the local community. The students have taken the lead on issues such as behaviour, learning and site facilities. The students have also taken part in community projects with Epping Forest Council and the local Parish. Student engagement is key to successful learning and an outstanding school. We are proud to say that our students are listened to and valued as the heartbeat of our community.

## **INTERNATIONAL SCHOOLS STATUS (GOLD AWARD)**

We are very proud to have received this award in recognition of the many trips and activities which Staff run for our students. We have had expeditions to South America and Africa, where students were involved in the World Challenge or Camps International. We have had trips to Sri-Lanka, where students worked for a month in an orphanage we support and we had groups that visited China and India. We are indebted to our many Staff who organise such events giving such wonderful opportunities to our students.

# THE SIXTH FORM AT WEST HATCH

West Hatch is an 11-18 institution and has a long established Sixth Form at the heart of the school. The Sixth Form continues to go from strength to strength in both numbers of students and results. The sixth form offers a full range of AS and A2 courses alongside a number of vocational programmes and is the only school in the area to offers students a mixed A Level Vocational pathway to suit the student's individual needs The Sixth Form retains all the strengths of the main school whilst having a distinctive identity.

Pupils are given the opportunity to become involved in community work, both within the school and in the local area. Opportunities arise for involvement as leaders or key players in school, such as at dramatic, musical or sporting events. Pupils are given the chance to develop leadership skills and are awarded Prefect status if they have shown commitment to both their work and West Hatch over a period of time. We have an overall Head Boy and Girl each year who play a leading role in school life.

Students are able to follow schemes leading to recognised awards. Staff are committed to developing programmes of community service which are challenging to the students and encourage them to develop a caring approach to others.

We have a careers advisor to guide students on taking the next step in their careers and all students complete a work shadowing programme in year 12 to introduce them to the world of industry before commencing their university and apprenticeship applications in year 13.

The school has a specialist team of teachers who help students prepare for university applications with our Honours Pathway Programme; this gives tailor made advice and 'enrichment' opportunities to assist those wishing to apply to Oxbridge or Russell group universities. We have visiting speakers and university admission tutors to offer students further support in the university application process. The vast majority of our students are successful at gaining places at their first choice university.

We offer a well-established curriculum including 25 A Level subjects, Level 3 vocational courses in Business, Childcare and Education and Sports Development Coaching & Fitness and Level 2 qualifications in Travel and Tourism

The Sixth Form have their own centre housing a Common Room, Cafeteria and extensive Study Centre. So as to enhance their profile with future employers and admissions tutors; students are given opportunities to

## **PUPIL CARE & SUPPORT**

The aim is to provide a caring, tolerant and respectful community where the emphasis is on consideration for others and high standards of behaviour.

All full-time staff undertake a pastoral and tutorial role as a Form Tutor, and this is seen as providing the key link between home and school. Eight Form Tutors are led by a Head of House of which there are six in total. The Form Tutors move up with the pupils to provide continuity of care. An Assistant Headteacher, leads the Heads of House and has overall responsibility for behaviour, pupil welfare and inclusion.

Great importance throughout the school is attached to high standards of conduct and the formation of good character. There are general expectations to ensure the smooth running of the school community and these are set out in the booklet entitled '*Introducing West Hatch*', which is issued to all students when they join the school. Parents will also be asked to support the work of the school. Indeed, the school sees close home-school links as a winning formula for success. We have a well-established Student council.

Discipline is firm but fair. We work on the basis that children will respond to the positive approach of trust and encouragement, praise and reward. Achievement is recognised and celebrated in many ways - at Assemblies and through Reward points, School Achievement Awards and at the Upper and Lower School Achievement Evenings, etc. When punishment is necessary, it usually consists of reprimand, detention, referral through the Referral Procedure, parental involvement, School Community Service or referral to senior pastoral staff.

In order that an individual does not disrupt the work of the rest of the class, a room is available each period, in each department, where pupils are sent to.

Pupils are then seen by the relevant Head of Department or a senior member of staff. On some occasions, parents may be invited to the school to discuss particular problems. In serious cases of indiscipline, the Headteacher may exclude a pupil from the school and the case may be referred to the Governing Body. Parents have a right of appeal in such circumstances. There is a complaints procedure if parents are concerned about any aspect of school life and in the first instance they should contact the Headteacher.

## THE SCHOOL AND THE LOCAL COMMUNITY

The school works very closely with local Rotary groups and pupils perform at various events, i.e. Youth Makes Music, Rotary village fete and at public speaking events. Students have also assisted the local Chigwell Parish Council with litter picks in the local area.

## ASSEMBLY AND COLLECTIVE WORSHIP

West Hatch High School has always valued the opportunity to draw the school community together to share and celebrate the spiritual, moral and cultural dimensions of life. There is an annual programme drawn up which allows for recognition of some of the important religious festivals and other national moments of remembrance and reflection. The school prides itself on the fact that the diversity of religious and home backgrounds has been united at these collective moments and that no parent has felt the need to exercise their right of withdrawal.

## **RELIGIOUS EDUCATION**

Religious Education at West Hatch High School is in line with the Essex Agreed Syllabus. It reflects the Aims of Religious Education as set out in the DfE guidelines, to "develop pupils' knowledge, understanding and awareness of Christianity, as the predominant religion in Great Britain, and the other principal religions represented in the country; to encourage respect for those holding different beliefs and to help promote pupils' spiritual, moral, cultural and mental development."

#### TUTORIAL, PSEC PROGRAMMES AND CITIZENSHIP

In Years 7 - 13, pastoral time is provided to follow a programme aimed at developing social and personal skills as appropriate to pupils' age and needs. Through topics and discussion, skills and understanding are developed. Areas covered include careers advice, citizenship, health and environmental education and personal and social development.

#### **CHARITIES**

West Hatch High School pupils are actively encouraged to use their talents and energies to help others, particularly those who are less fortunate than ourselves. A number of events take place throughout the year, ensuring that pupils find something in which to participate. The school responds positively to students who are keen to organise help for charities which they particularly wish to support. A whole range of local and national charities have been supported over the years with significant sums raised.

## THE PARENTS' VOICE

This is an active parent body who works closely with the school. They provide a very useful sounding board when new ideas are being introduced or existing areas of school life are being reviewed. They also support the school at a whole range of events.

It is hoped that parents will want to give active support to the Parents' Voice. They are always very pleased to hear from any parent who can help in any way. The school too would warmly welcome offers of support from parents, such as Work Experience placements. The Parents' Voice were winners of a National Award recognising Outstanding Partnerships with parents and the wider community. We are very proud of this achievement and feel it rightly recognises the good work they do.

## SCHOOL TRANSPORT

Transport arrangements to and from school can be made in a variety of ways. The options for public transport include, walking from Chigwell London Underground Station to school, taking a range of buses, some operating under a contract to the local authority which travel in a variety of directions. Any questions relating to travel should be addressed to General School Transport Enquiries at Essex County Council. Some parents drive their children to school and we ask that parents do not drive onto the school site to drop off or pick up children.

In the Autumn, we have our Open Evening. Then in May/June, those families allocated a place for September come to the school for an Information Evening and there is an introductory day for pupils to gain a taste of West Hatch life and one to one interviews with senior staff also take place. The first day of term in September is only for the new intake so that they become familiar with the school before the full timetable gets under way.

## **OPEN EVENING FOR PROSPECTIVE PARENTS**

All prospective parents are warmly invited to come to our Open Evening which will be held at West Hatch High School on **Wednesday 27<sup>th</sup> September 2017 at 6.30 pm.** The Headteacher will speak at 6.45pm and at 7.30pm; there will be conducted tours throughout the evening.

## **APPLICATION PROCEDURE**

An online Common Application Form must be completed on your Local Authority's website (Essex or Redbridge) by <u>31<sup>st</sup> October 2017</u>. A completed Evidence of Address Form, obtained from the School, accompanied by an original recent Council Tax bill, two original recent utility bills and your child's original Birth Certificate, must be received at the school by <u>10<sup>th</sup> November 2017</u>. They are then considered by the Admissions Committee of the Governing Body in strict relation to the published admission criteria.

Full details are given in the *Admission Prospectus* enclosed. In broad terms, the criteria is 'siblings' followed by 'nearness within the Priority Admissions Area' followed by 'nearness outside the Priority Admissions Area'. Every year the school is heavily oversubscribed so strict adherence to the detailed admissions arrangements has to be made.

## **OVERALL PROSPECTUS DETAILS**

Please note that the information given in this prospectus and its various supplements were correct at September 2017 as far as planning for September 2018 is concerned. It is possible that there will be subsequent changes affecting the relevant arrangements before the start of the 2018/2019 academic year and changes may well arise thereafter. Please contact the school if you wish to seek more recent information.

## STAFFING

There are 73.9 full time equivalent teaching staff with specialist qualifications, many of whom have been at West Hatch for a number of years; they constitute a most committed and highly qualified team. Our policy is to recruit and retain the best possible staff. The teaching is supported by a team of 69 non-teaching staff – Administrative and Finance staff, Technicians, Librarian, Support Assistants, and Catering staff.

## **BREAK AND LUNCHTIME PROVISION**

There is an impressive range of hot, cold and snack items, both at lunchtime and morning break. We also operate a breakfast service on a daily basis.

Almost all pupils stay at school for lunch; those leaving the site must obtain a pass and have a parent at home if they are not eating at school. Just recently the Catering Manager and her team received one of the highest awards on inspection ever given to a school kitchen.

## SUPPORT SERVICES

Attendance is closely monitored and parents are required to call in on each day of absence and to provide notes explaining any absences. Regular and punctual attendance is an essential ingredient for success at school; parents need to understand that the Governing Body's policy is totally opposed to family holidays being taken in term time and permission is not granted.

## SCHOOL'S WEBSITE

Further information is available at <u>www.westhatch.essex.sch.uk</u>. Prospective parents are invited to visit the site which contains information about the school.

# **ADMISSION CRITERIA**

# Year 7, Mid-Year & Sixth Form For September 2018

West Hatch High School is an Academy school situated on the boundary between Essex and the London Borough of Redbridge.

Applications are accepted from residents in both Essex and Redbridge.

The Governing Body is the Admissions Authority of the school and has appointed the Admissions Committee to consider all applications to the school on its behalf.

## Arrangements for Admission to Year 7 – September 2018

- 1. The agreed admission number for entry into Year 7 is 249.
- 2. Places will be allocated strictly in accordance with the School's Admissions Policy which is consistent with admissions law and the School Admissions Code issued by the Department for Education.
- 3. You must complete **two** forms if you would like your child to be considered for entry into Year 7 at West Hatch High School in September 2018.
  - Your Local Authority Common Application Form, which should be completed online by Tuesday 31<sup>st</sup> October 2017; and
  - (2) An **Evidence of Address Form,** which can be obtained from the school's Admissions Secretary or website at <u>www.westhatch.essex.sch.uk</u>, and should be returned to the school once completed.

# *This form is required even if West Hatch is not your first preference.*

The Evidence of Address Form and supporting documentation should be sent to the Admissions Secretary, by post or brought into the school in person. The deadline for this is **Friday 10th November 2017**. The School's address is High Road, Chigwell, Essex IG7 5BT.

Evidence of Address should include original documents. These will be photocopied and returned to you. A council tax bill, the child's Birth Certificate or Passport, two utility bills (e.g. gas, electric, water or landline phone) and, if applicable, your tenancy agreement and a tenancy statement must be provided. All bills should be recent or dated within the six months May to November 2017.

The Evidence of Address Form and the supporting documents supplied to the school will be acknowledged by letter and a reference number issued.

- 4. Essex will advise the School of applications made to it, including those from Redbridge. At this point, the Admissions Committee will consider all the Evidence of Address Forms submitted. However, the Admissions Committee will not consider Evidence of Address Forms if a Common Application Form naming the school has not been received by Essex or Redbridge.
- 5. Applications will be processed on the basis of the home address of the child at the time of application and determination. The home address is considered to be the address at which the child resides on a permanent basis and is generally the address of the parent/legal guardian.

6. Allocation will be based on the information that is given on the Common Application Form and Evidence of Address Form, prevailing at the deadline of 10th November 2017.

Subsequent changes of address cannot be used to enhance the 'nearness' to the school.

If you know you are moving house at any time during October 2017 to the start of term in September 2018 you **must** notify the School and your local authority.

The Admissions Committee may consider an application invalid and withdraw the offer of a place at any time, if any of the information given on the Common Application Form or Evidence of Address Form proves to be inaccurate. The Admissions Committee also reserves the right at any stage to carry out any enquiries it deems necessary to check information given by the applicant.

A parent/legal guardian who obtains a school place by deception, but does not have the place removed due to the Admissions Committee considering the best interests of the child, will not be able to gain priority over other applicants by using the Sibling link for subsequent children in future years.

- 7. National Offer Day Your Local Authority, Essex or Redbridge, will write to you on the 1st March 2018, to tell you if your application has been successful or not.
- 8. Late Applications if the Evidence of Address Form is not received on time, it may not be considered for 1st March 2018 offer purposes. Instead, it will be ranked according to the School's admissions criteria and put on the Waiting List held by the Local Authority School until end of term December 2018.

Where the number of applications for admission is greater than 249, applications will be considered against the criteria set out below:-

## 1. Looked after children and previously looked after children

A Looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (as defined in Section 22(1) of the Children Act 1989).

A previously looked after child is a child that immediately after being looked after became subject to an adoption, residence or special guardianship order will be given first priority in oversubscription criteria, in accordance with the School Admissions Code (Dec 2014).

#### 2. Siblings

A relevant sibling is a child who has a brother, sister, adopted brother or sister or stepbrother or stepsister, living in the same family unit in the same family household and address, who attends West Hatch High School in any year group and where the brother or sister completed their statutory education at this school, irrespective of place of residence. A sibling link to a child in Year 11, or Year 12, will only be taken to exist at the time of application and determination where the brother or sister has completed their statutory education at West Hatch High School and where there is an intention that the Year 11 child will be returning to the school for a post 16 course of study.

Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings.

In the case of twins or triplets etc, both or all will be offered places.

## 3. Children of Staff

Children of members of staff who have been employed at the school for two or more years at the time at which application for admission is

made, or who are recruited to fill vacant posts for which there is a demonstrable skill shortage.

## 4. Children living in the Priority Admissions Area

Map available on the school's website at www.westhatch.essex.sch.uk

West Hatch operates a Priority Admissions Area. Within this criterion, children will be ranked in distance order for admission by straight line distance within the Priority Admissions Area. Those living nearer will have a higher priority, starting with the nearest first. However, there is no guarantee of a place for children living in the Priority Admissions Area.

All straight line distances are calculated electronically by the local authority using data provided jointly by the Post Office and Ordnance Survey. The data is used to plot the co-ordinates of each individual property and the school. Distances are reported in miles to three decimal places.

In the unlikely event of applicants with an identical distance competing for a single place at the school, the place will be offered to one applicant on the basis of lots drawn by a member of school staff not involved in admissions, with the exception of twins, triplets etc.

## 5. Remaining Applications

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from the home to school, with those living nearest having highest priority.

If undersubscription should occur priority will be determined without regard to the Priority Admission Area. Those living nearest to the school will be given the highest priority using straight line distance.

## 6. Waiting List

A waiting list will be kept by the Local Authority for the first week of the Autumn Term only and the school will maintain this waiting list for the remainder of the year.

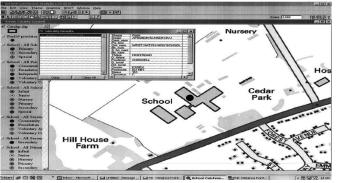

Exceptional medical or special circumstances may override the above if fully supported by professional documentation.

Children with an Education, Health & Care Plan will normally be admitted to the school providing the school can meet the child's needs.

Unsuccessful applicants have the right to an independent appeal using the form provided by the school.

All New Year 7 applications should be made via your Local Authority in the first instance using the online facility on their website. A second form (Evidence of Address Form) must be completed and sent directly to the school.

The diagram below shows the point of measurement used by the Local Authority.

Centre of School Hall

To get an approximate straight line distance measurement go to www.freemaptools.com and select "Distance between UK Postcodes". Enter your postcode and the School's postcode which is IG7 5BT and note the distance "as the crow flies". Please be aware that Essex will provide the School with more accurate measurements for the purpose of admissions. The "Freemaptools" website is given for guidance only.

#### Special or Medical Circumstances

The Admissions Committee will consider applications of exceptional individual medical and/or family circumstances, if fully supported by professional documentation from a doctor or other registered professional. Evidence should provide the reason why West Hatch is the most suitable school in the locality able to provide appropriate education and what difficulties would be caused if the child had to travel to another school. Individual or exceptional circumstances will not be considered if introduced after the closing date in November 2017.

#### Continued Interest / Waiting List

Following National Offer Day, West Hatch High School will maintain its continued interest/waiting list until the end of the autumn term. If you would like your child's name to remain on the waiting list thereafter, please contact the School's Admissions Secretary in writing either by post or via email to confirm this. The email address is <u>admin@westhatch.essex.sch.uk</u>. Please note that a child's waiting list position can change as a result of an offer of a place being made

or as new applications for the School are received. If you would like to know your child's position on the list please contact the School's Admissions Secretary on 0208 504-8216.

#### Making an appeal

Unsuccessful applicants can exercise their statutory right to appeal to an independent appeal panel. Go online to <u>www.essex.gov.uk/ education-schools</u>, or contact the School's Admissions Secretary on 0208 504-8216, or via email at admin@westhatch.essex.sch.uk, to request an appeal form

#### **Application Statistics**

In order to offer a guide to the likely allocation of places, the following statistics are taken from last year's applications. Please note that figures do vary from year to year.

By the closing date (October 2017) a total of 622 applications (all preferences) from both Essex and Redbridge had been received for the 189 places for 2017 entry.

The School has a Published Admissions Number of 189 in each Year Group (Years 8 to 11). This means that in each year group the school is considered to be full at 189 pupils.

All mid-year applications will be considered against the following criteria:

- a) The size of the Year Group at time of application.

- d) If undersubscription should occur priority will be determined without regard to the Priority Admission Area. Those living nearest to the school will be given the highest priority using straight line distance.

- 1. For all mid-year applications, the Admissions Committee reserves the right to pursue supporting school documentation and professional advice to verify the information given on the application form.
- 2. In considering the application against the above stated criteria, the Admissions Committee will also consider any possible prejudice to existing pupils at the school as well as to applicants already declined admission to the relevant Year Group.
- 3. If requested in writing, by phone or email, unsuccessful applicants will be placed on the School's Waiting List in the relevant Year Group and in order of proximity to the school. The List will be examined whenever a place or places have become available.
- 4. Repeat applications will not be considered in the same academic year unless it can be demonstrated to the Admissions Committee that there has been a major change of circumstance relevant to the previous application.

## Making an Appeal

Unsuccessful applicants can exercise their statutory right to appeal to an independent appeal panel. Please, go online to <u>www.essex.gov.uk/education-schools</u> or contact the School's Admissions Secretary on 0208 504-8216, or via email, admin@westhatch.essex.sch.uk, to request an appeal form.

West Hatch will admit a maximum of 189 students in Year 12. The school has set a maximum Sixth Form size of 378.

The school will admit students to the Sixth Form where it is able to offer a programme from which they will benefit and for which they are suitably qualified.

The school will give priority to pupils currently attending West Hatch High School who have achieved the required grades.

In the event of over-subscription those living nearest the school will be given higher priority.

For more information and guidance on all courses offered please refer to our Sixth Form Prospectus, which can be found on our Website at <a href="http://www.westhatch.essex.sch.uk">www.westhatch.essex.sch.uk</a> or contact the Sixth Form Admissions Secretary on 0208 504 8216 (option 1).
