GEOGRAPHY GCSE FIELD TRIP TO THE RIVER LEA, EAST LONDON

Dear Parent/Guardian,

As part of the Geography GCSE your son/daughter will have to undertake fieldwork skills examination which accounts for 30% of their final GCSE grade. We are delighted to offer the opportunity for your child to investigate urban change on a field trip with the Field Studies Council in Stratford.

This highly rewarding fieldwork experience forms a pivotal part of the course and allows pupils to have a greater understanding of data collection and principles of the GCSE rivers course. The work that they do will be brought back to school and used in to complete a project to help prepare for the examination.

The cost of the trip covers teaching by staff at the FSC centre, all resources and equipment. The cost of the trip indicated below is a voluntary contribution. If we do not receive enough voluntary contributions to cover the cost then the trip will be cancelled. All payments should be made via ParentPay on the school website.

Date of Field trip: Thursday 7th OR Friday 8th June 2018

Cost of Trip: £25.65

Deadline for payment: 23/03/18

We will be travelling to Stratford by London Underground from Chigwell. We will depart school at 8.30am and aim to return to school by 4pm. Please ensure that your son/daughter brings their topped up Oyster Card with them to cover their travel to and from Stratford station. In addition, students should bring packed lunch with them. Further details will be sent out to you prior to the visit.

Yours sincerely,

Miss Z Barrett

Head of Geography
