

Work Experience

West Hatch School

10th – 21st July 2017

School Coordinator: Mrs Muscatt

What is BEP Group?

- A registered charity and 'not for profit' organisation
- A broker (link) between Business and Education for over 20 years
- Working with over 60 schools and colleges and placing over 8500 students a year into work experience in Essex and London
- **OUR MISSION**
To develop and enhance the skills and potential of the future workforce, through structured education, training and enterprise initiatives

What is Work Experience?

- An unpaid opportunity for your child to experience working life, whilst they are still at school
- A chance for them to develop and practice new skills and become more confident in their abilities
- Usually non – vocational: it's a general experience of work!

'Own Placements'

How can you help?

- Employers in some occupations prefer direct approach by students, who do you know?
- Employers like students who show initiative, so don't do it all on their behalf!
- Placements could be anywhere in England
- Placements should not be with a direct family member
- Help prepare how they dress and what they will say to the employer.....why do they want to work there?
- Be realistic about what work they will do in that job role
- Check the journey route, times and the cost

This system has been designed to help you look and apply for work, consider different ways of travelling to work and most of all experience work.

To guarantee work experience in your preferred sector you will be required to find an own placement which will need to be checked for Health and Safety. The form must be signed by the employer and your parent/guardian. This should then be returned to your school coordinator before the deadline.

For information on how to go about finding your own placement, select own placement from the menu bar above

If you are NOT looking to find your own placement please go to **Make Selections**

If you have any questions about Work Experience, please talk to your teachers.

- They must make and submit choices by **24th April 2017**. The system will automatically allocate placements for students
- Once the allocation has been made, they cannot change the placement
- They may need to reselect, if not allocated a job

After allocation

- Following allocations, each student will receive a job description which includes a risk assessment for the job and a parental consent form, as the final agreement to their placement
- This needs to be signed by the student and you, as their parent, guardian or carer to confirm the job description and risk assessment has been read and understood
- The form must be returned to the school before the placement can start
- All students will be issued with a log book to record their work experience

Employer Contact

- BEP informs the employer of the placement details
- On receipt of the parental consent form and job description, students **must** contact the employer **immediately** to confirm their attendance.
- It acts as a further reminder to the employer that they have provisionally agreed a placement and some employers will expect students to attend an interview
- Some employers may have to withdraw from accepting the placement, this can be at a late stage
- **In many cases, no contact = no work experience!!!**

During the Placement

- Whilst on placement they will be treated as an employee by the company, they can be dismissed!
- They must contact their employer if they are ill, running late or attending an appointment
- They will be expected to work business hours. This is anything up to a maximum of 40 hours per week!
- BEP Group will be advised if they do not attend placement and in turn will contact the school to find out where they are
- If they have any issues during their placement they must contact the school

After the Placement

- On completion of Work Experience employers can leave feedback in the student's log book
- Students may be asked to complete a school evaluation form to feedback about their placement
- On successful completion of their placement, each student will be issued with a certificate
- Some successful placements lead to employment
