

19th March 2020

Dear Parents/Carers,

At 5.15pm yesterday, the Secretary of State for Education gave a public statement that all state-funded schools in England would be closed from the end of the school day on Friday. (I attach some learning resources that students and parents may find helpful to access whilst the school is closed)

He also indicated that all the GCSE, AS and A-level examinations due to take place this Summer, have been suspended; and that students would be credited for their learning in some other way.

We are all thinking particularly of Year 11 and 13 students who have been informed that all GCSE and A-level examinations due to take place this summer, have been suspended. We will ensure we continue to support them through these difficult circumstances and have offered group and individual counselling session for students in school should they wish to talk to someone about the situation.

Having indicated that all schools would be *closed*, he then indicated that they would be expected to remain *open* for the children of key workers and for those in various vulnerable categories – providing a safe place and access to meals. We are expecting a definition of 'key worker' at some point today from the Cabinet Office. It will take time to determine the nature of this provision.

Although we have been anticipating such an announcement, and prepared for various scenarios, the limited details so far released raise considerably more questions than answers. You will all have your own legitimate concerns and queries.

The Secretary of State gave no undertaking that schools would be expected to sustain a pattern of normal learning during the closure; rather that any available staff would be expected to support other frontline efforts. Our school response is yet to be determined.

I will be working with my senior leadership colleagues, and all staff, and the local authority to clarify as best we can what this announcement means for the school, for our pupils and for you. I anticipate providing more details later today or early tomorrow.

Thank you for your support and for your patience in the meantime.

For the next two days, pupil attendance (with the exception of Yr.8) is expected to continue as outlined within the COVID-19 Public Health England guidance.

Yours sincerely,

Daniel Leonard
Headteacher
